BMC

APPROVED
ACCESSORIES
FOR THE
MORRIS
MINI MINOR

The Morris Mini-Minor is world famous. Both the performance and the quality of the car have captured the imagination of many thousands of motorists.

As the owner of a Mini you are possibly thinking of adding accessories. In this respect BMC Service offer a range of approved accessories, all of which have been tested and approved by the same engineers responsible for the car.

Each accessory is supported by factory warranty.

In this folder you will find a comprehensive range of accessories offered, but for further information and details of additional accessories please consult your local BMC Distributor or Dealer.

BMC
GENUINE
PARTS

The arrival of your new car is a happy occasion, and the last thing we wish to do is to spoil it by mentioning BMC Genuine Parts and Exchange Units, since you are not likely to need either for a long time. Please permit us one word of advice, however—when the time does come, insist on factory-supplied materials, and remember that the BMC Exchange Unit scheme covers everything from instruments to engines

The issue of this publication does not constitute an offer, and the right is reserved to alter prices and/or specifications at any time without notice. Sales are made subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer by agreement with the appropriate subsidiary of The British Motor Corporation Limited
