ACCESSORIES DESIGNED FOR

THE REVOLUTIONARY

AUSTIN SEVEN

No! we are not trying to compare your sparkling new Austin 7 with a Roman chariot—except in one sense. Even the practical Romans liked to embellish and add extras to their chariots, whether for warlike or ceremonial purposes.

We consider you might like to know about the wonderful range of accessories* available for your Austin 7. Contemporary in style and designed to enhance the appearance, safety, and comfort of your car and, like the Austin 7, remarkable value for money.

Just look through the list of accessories* shown on these pages (a selection only of the total range available), and decide for yourself what you want for your car. Having decided to your own individual taste, your B.M.C. Dealer will be happy to supply and fit them to your Austin 7 with the minimum of delay at reasonable charges for fitting.

*B.M.C. Approved Accessories, of course.

As with your home, 'pride of ownership' in your Austin 7 will be increased and your good taste confirmed by choosing one or more of the quality items shown opposite. Seat covers, travelling-rugs, Perspex interior sun visors—these and other accessories give a hint of luxury which belie their cost.

For the exterior of the car, of course, a truly comprehensive list of accessories is offered, and just a few of these are illustrated below. Your Austin 7 puts you ahead of others—
increase that lead with B.M.C. Approved Accessories!

Remember, always ask for B.M.C. Approved Accessories. This simple precaution is your safeguard that your car is fitted with quality products, approved by the engineers who developed and produced your car.
