LORRAINE FOR DOWNTON

For the customer who wants that little extra from his popular small car - to take the "mass" out of "production" - skilled engineering development has produced a range of Downton Engine Conversions that provide startling improvement in performance, especially in acceleration, without impairing the car's flexibility or reliability.

In the London area, these conversions are supplied and fitted by THE LORRAINE ENGINEERING COMPANY LIMITED at their Service Station, where Mr. Anthony Marsh, Sales Manager, and Mr. A. J. Barker, Service Manager, will answer all enquiries.

Demonstrations can be arranged by appointment.
