## Type 1

Years of development have produced this amazing seat, for the enthusiast. It provides the ultimate in comfort and stability.

The design incorporates lateral support wings which locate the Driver (and Passenger) under the most rigorous cornering and being held firmly in position he becomes part of the car and free to concentrate on vehicle control.

Manufactured from high grade materials for both strength and durability. It is available in Black P.V.C. trim only.

When ordering, please state, make of vehicle and whether left hand, right hand or both front seats are required.

Seat reference numbers are given on our separate "Supplementary List".

**WEIGHT 18 LBS**

*The Company reserve the right to make any alteration in design or specification of any model without notice and to deliver goods conforming to the altered design or specification in fulfillment of any order.*
